Garage Carpet

Quality is no longer a luxury, it is expected

Raider Carpet

Raider is a specialised carpet that holds up exceptionally under the harsh elements of salt, wind, rain and sun. These qualities also make Raider an ideal solution for a wide range of light commercial applications such as garages, where durability is a must. Non-slip and water resistant, these carpets are a cost-effective choice for garages, interiors and decks of small boats, outdoor decks, and commercial floor areas.

Raider offers a soft velour finish, will not absorb moisture, stain or rot and is easy to clean and maintain with a lifetime no zip or fray warranty.

Why you should choose Installed. Garage Carpet?

Installed. are a New Zealand owned company that only install Autex carpet products, which are made in New Zealand for us and our homes.

Unmatched for durability and affordability, Autex carpets stand up to intensive everyday wear in even the toughest conditions.

All Autex carpets are made from closed-cell synthetic fibre that absorbs no moisture so is easy to maintain and won't stain, rot or smell. The product is also UV stabilised and highly resistant to fading, even in direct sunlight

Quality and consumer satisfaction are the key elements of Installed.'s business philosophy, every job is installed to the highest quality using superior quality carpets.

Autex have long believed that it is better to design and develop products that will not only perform but will last in their intended environments. Tailoring products to conditions is a cornerstone of Autex manufacturing.
