

Carpet for Walls

Style and practicality are rolled into one when it comes to Dado, available in a classic ribbed finish, it is a highly durable 100% polyester carpet that complies with ISO 9705: 1993 and AS ISO 9705-2003 fire ratings.

UV Stabilised and resistant to colour fade, Dado is a non-woven fabric that won't zip or fray making it ideal for use in walls for schools.

Available in three classic colours that are moisture resistant, Dado won't stain, rot, or breakdown leaving you with a wall covering that is safe, non-toxic, non-allergenic, recyclable and environmentally friendly.
