

decord

PRODUCT SPECIFICATIONS

Decord is a premium wide ribbed carpet designed to provide firm grip and is reliable even in slippery and wet conditions. Unlike traditional carpet fibres, Decord's composition will not retain moisture and is highly UV resistant enduring the toughest of elements including wind, rain and direct sunlight, year after year.

Care and Maintenance

Ask your local distributor for an Autex Carpet Care and Maintenance brochure, or download a copy from our website.

Installation

We recommend all Autex Carpets to be installed in accordance with AS/NZS: 2455.1.2007 Textile floor coverings - installation practice. Ask your local distributor for an Autex Carpet Installation brochure, or download a copy from our website.

Quality Standards

Autex is committed to Quality and Environmental best practice through our ISO 9001 and ISO 14001 certified Quality and Environmental Management Systems.

General

Test result certificates are available upon request. All Decord colours are available in Widetrack rib finish (subject to minimum order quantities). For further information about our complete range of quality carpet, contact your local distributor or visit our website.
