

# elements

## PRODUCT SPECIFICATIONS

Elements is an exceptionally hard wearing carpet. Its extraordinarily tough flat pile surface and extreme durability rating makes it ideal for heavy traffic areas including car showrooms and garages. Elements carpet is well proven after many years in the market to stand up to even extreme traffic volumes.

### Care and Maintenance

Ask your local distributor for an Autex Carpet Care and Maintenance brochure, or download a copy from our website.

### Installation

We recommend all Autex Carpets to be installed in accordance with AS/NZS: 2455.1.2007 Textile floor coverings - installation practice. Ask your local distributor for an Autex Carpet Installation brochure, or download a copy from our website.

### Quality Standards

Autex is committed to Quality and Environmental best practice through our ISO 9001 and ISO 14001 certified Quality and Environmental Management Systems.

### General

Test result certificates are available upon request. For further information about our complete range of quality carpet, contact your local distributor or visit our website.
